

Curriculum Vitae

Personal Information:

*Name: Mohamed Ahmed Samy Kandeel

*Birth date: July 13, 1962

*Citizenship: Egyptian

*Language: Arabic / English

*Address: 6 Mohamed Hafez street, Mohandessin; Giza, 12311. Egypt.

*Phone numbers: Home: 002-02-33375563

Mobile: 002-010-5784043

*E mail: kandeelcando@yahoo.com

*Countries of work experiences: Egypt, USA and Saudia Arabia

*Web page:

<http://medpages.obgyn.net/kandeelcando>

<http://www.webspawner.com/users/kandeelcando/index.html>

Present Appointment:

*Professor of Obstetrics and Gynecology from 22nd October 2006 uptil now. Faculty of Medicine, Menofyia University. Shibin El Kom, Menofyia, Egypt.

Medical License:

*An unrestricted license to practice medicine all over Egypt. License number 85045 issued on March 7th, 1987.

Qualifications:

*Doctorate degree in Obstetrics and Gynecology; April 1996. Combined, Menofyia University, Egypt and the University of Missouri, Kansas City School of Medicine, U.S.A.

*Research Fellowship: Division of Maternal Fetal Medicine, Department of Obstetrics and Gynecology. Kansas City School of Medicine. University of Missouri, U.S.A. From February 1st, 1992 till January 30, 1994.

*Master degree in Obstetrics and Gynecology; November 1989, Azhar University, Egypt.

*Bachelor degree in Medicine and Surgery; November 1985, Cairo University, Egypt.

Previous Appointments:

*Consultant of Obstetrics and Gynecology. Saad Specialist Hospital. Alkhobar, Saudi Arabia from 14 February 2005 till 13 February 2007.

*Associate professor of Obstetrics and Gynecology: From September 23, 2001 till February 2005. Faculty of Medicine, Menofyia University, Menofyia, Egypt.

*Lecturer of Obstetrics and Gynecology: Faculty of Medicine, Menofyia University, Menofyia, Egypt. From September 15, 1996 till September 22nd, 2001.

*Assistant lecturer of Obstetrics and Gynecology. Faculty of Medicine, Menofyia University, Menofyia, Egypt: From January 12, 1991 till September 15th, 1996.

*Resident of Obstetrics and Gynecology: Azhar University Hospitals. From August 23, 1987, till 22 August 1990.

*Rotating intern: Cairo University Hospitals. From March 1st,1986 till February 28th, 1987.

Memberships:

*Member of the Geneva Foundation for Medical Education and Research (GFMER).

*Member of the Egyptian Society of Gynecology and Obstetrics (ESGO) since 1999.

*Member of the Egyptian Fertility care Society (EFCS) since 1999.

*Member of the Egyptian Society of Fertility and Sterility (ESFS) since 2003.

*Member of the Egyptian Association of Gynecologic laparoscopists (EAGL)

Special Training:

*Elective training in Pediatrics, The Royal Hospital for Sick Children, Glasgow, Scotland. From July 1983 to September, 1983.

Postgraduate Courses and Workshops:

*Training course for advanced laparoscopic surgeon. Organized by University of Alexandria in collaboration with the Egyptian Association of Gynecologic Laparoscopists (Eagl). From January 26 till January 30, 2008, Alexandria, Egypt,

*The Use of Technology in Teaching. Workshop organized by the faculty and leadership development project. Menofya University, Egypt. June 25-27, 2006

*Neonatal Resuscitation Program: Course organized by Saad Specialist Hospital, Alkhobar, Alkhobar, Kingdom of Saudi Arabia, April 17-18, 2006

*Joint Commission International (JCI) Education program: organized by Saad Specialist Hospital, Alkhobar, Kingdom of Saudi Arabia. March 6-10, 2005

*Basic Life Support: Course organized by Saad Specialist Hospital, Alkhobar, Kingdom of Saudi Arabia, March, 5th, 2005.

*Time and Work Stresses Management. Workshop organized by the faculty and leadership development project. Menofya University, Egypt. January 3-5, 2005

*Youth Care Skills. Workshop organized by the faculty and leadership development project. Menofya University, Egypt. December 28-29, 2004

*Managerial Skills Training. Workshop organized by the faculty and leadership development project. Menofya University, Egypt. December 11-13, 2004

*Lecturing “Maternal fetal Medicine series” for Obstetricians at Menofya Governorate, Maternal and Child Health Project organized by the Egyptian Ministry of health, Egypt 1996-1997

*Consultant of Obstetrics and Gynecology - part time contract basis - since January 1999 till February 2005. Al-Agoza Hospital, Ministry of Health and population, Egypt.

*Consultant of Obstetrics and Gynecology - part time contract basis - since January 1999 till February 2005. Al-Mabara Hospital-Misr Elkadima, Ministry of Health and population, Egypt.

*Consultant of Obstetrics and Gynecology - part time contract basis -.since January 2002 till February 2005. Mabara Al-Maadi Hospital, Ministry of Health and population, Egypt.

Thesis Supervised:

*Doctorate degree:

- 1-Role of abdominal electromyography in term and preterm labor. Thesis, In progress.
- 2-Uterine artery embolization for the treatment of uterine fibroids. Thesis, 2005
- 3-The use of the endometrial thermal balloon in perimenopausal uterine bleeding. Thesis, 2004
- 4-Placental protein 14 in recurrent early pregnancy loss due to luteal phase defect. Thesis, 2002
- 5-Study of multiple different protocols for induction of ovulation in cases of IVF. Thesis, 2003
- 6-Assessment of lipoprotein A level in pre-eclampsia. Thesis, 2001

*Master degree:

- 1-Aromatase inhibitors in Gynecology. Essay. In progress.
- 2-Selective Estrogen Receptor Modulators (SERMs). Essay. 2005
- 3-Sonographic determination of Cesarean section scar dehiscence in subsequent pregnancies. Thesis, 2005
- 4-Evaluation of the role of hysteroscopy and endometrial biopsy for detection of endouterine abnormalities in women with tubal factor of infertility. Thesis, 2004
- 5-Laparoscopic versus vaginal repair of cystocele. Thesis, 2001
- 6-Leptin versus somatomedin in growth retarded pregnancies. Thesis, 2000
- 7-The role of Leptin in female reproduction. Thesis, 2000

*Master Degree in Family Practice Medicine:

Third generation of contraceptive pills (Essay). 2000

Theses Evaluated:

I was a Board Member for the discussion and evaluation of the following theses:

1-Master's Thesis entitled: Isosorbide mononitrate versus misoprostol for cervical ripening in missed abortion. August 5th, 2007.

2-Doctorate's Thesis entitled: Protein 53 as a prognostic factor in ovarian carcinoma. April 2003.

Conferences And Seminars Attended:

*The 12th annual Conference of Egyptian Society of Fertility & Sterility entitled "Advances in Infertility". Held in Cairo, Egypt. September 4th -5th, 2007

*The 11th Annual Meeting of the Egyptian Society of Fertility and Sterility. Held in Cairo, Egypt. September 5th – 6th, 2006.

*The 6th international conference of the Royal College of Obstetricians and Gynecologists. September 27-30, 2005. Cairo, Egypt.

*Update in reproductive technology. Organized by the Egyptian fertility and sterility society. 5-6 september 2002, Cairo, Egypt.

*Convulsive disorders in pregnancy. Seminar presented at Alagoza Hospital, Feb 6, 2002.

*The joint annual conference of the Egyptian Society of Gynaecology and Obstetrics and the Egyptian fertility care society. 6-June, 2002-Mariott Hotel, Giza.

*The annual conference of the Egyptian Society of Gynaecology and Obstetrics. 26-April, 2001-Mena House Oberoi Hotel, Giza.

*The second international annual conference of the OB/GYN Department, Azhar University, Cairo, May 2000.

*The fifth international annual conference of the OB/GYN Department, Ain Shams University, Cairo, April 18-20h, 2000.

*The first international annual conference of the OB/GYN Department, Azhar University, Cairo, May 13-14th, 1999.

*The 5th annual conference of the Egyptian society of fertility and sterility. Cairo, Egypt. September 23-24, 1998.

*The 4th annual conference of the Egyptian society of fertility and sterility. Cairo, Egypt. September 24-25, 1998.

*The second international annual congress "Revolution in Reproductive Medicine and Endoscopic Surgery" presented by the international fertility center; Alexandria, Egypt, 11-12 December 1997.

*The 3rd annual conference of the Egyptian society of fertility and sterility. Cairo, Egypt. November 12-13, 1997.

*Malignant tumors of the female genital tract: prevention, diagnosis and treatment; presented by the Department of Obstetrics and Gynecology, Menofyia University, Egypt. 24th June 1997.

*The annual conference of the Egyptian society of Gyn/Ob, Port-Said, Egypt. June 12-13, 1997.

*The 2nd annual conference of health insurance organization on Family planning and its role in primary health care. Presented by the center of complementary services for maternity and childhood care. Zagazig, Egypt, 26-27 February 1997.

*The annual conference of the Egyptian society of GYN/OB Cairo, Egypt. 4-5 April 1996.

*The annual conference of the Shibin El Kom teaching Hospital. Presented by the Department of Obstetrics and Gynecology. Menofia, Egypt. January 1996.

*Role of ultrasonography in infertility; presented by the Department of Obstetrics and Gynecology, Menofia University, Egypt. March 1995.

*The Fourth International Scientific Meeting. Presented by the Egyptian IVF-ET Center, Maadi, Cairo, Egypt. December 29, 1994.

*The annual conference of the Egyptian society of OB/GYN, Cairo, Egypt. June 1-2, 1994.

*Update in Obstetrics and Gynecology: Presented by Department of Obstetrics and Gynecology, Truman Medical Center and Saint Luke's Hospital of Kansas City. University of Missouri-Kansas City School of Medicine. U.S.A. April 14-16, 1993.

*Update in Obstetrics and Gynecology: Presented by Department of Obstetrics and Gynecology, Truman Medical Center and Saint Luke's Hospital of Kansas City. University of Missouri-Kansas City School of Medicine. U.S.A. May 27-29, 1992.

List of Publications

I-Abstracts:

1-The relationship between severity of labor pains and postpartum depression.

Mohamed kandeel and Khaled Azmy

Accepted at the The 1st Beijing International Conference on Obstetrics & Gynecology
October 7-10, 2005 Beijing, China.

2-The relationship between preeclampsia and early childhood caries. A case control study. **Mohamed Kandeel** and Ali Mortada

Accepted at the XVII FIGO world congress of Gynecology and Obstetrics. Santiago, Chile, November 2003.

II- Peer Reviewed Electronic Presentations published on the internet (Shown as Mohamed Kandeel):

1-Treatment Errors: An Overview. Published on the website for Geneva Foundation for Medical Education and Research (GFMER), Editor: Professor Dr. Aldo campana

http://www.gfmer.ch/GFMER_members/pdf/treatment_errors-An_overview_kandeel_2008.pdf

2-Medical Imaging in Obstetrics. www.obgyn.net. Editor: Professor Dr.Zeev Shoham

<http://www.obgyn.net/educational-tutorials/educational-tutorials.asp?page=obstetrics-perinatology>

3-Induction of Labor – Evidence Based. www.obgyn.net. Editor: Professor Dr.Zeev Shoham

<http://www.obgyn.net/educational-tutorials/educational-tutorials.asp?page=obstetrics-perinatology>

4-Celiac Disease in Women. www.obgyn.net. Editor: Professor Dr.Zeev Shoham

<http://www.obgyn.net/displayppt.asp?page=/english/pubs/features/presentations/ppt-presentations-gyn-gen>

<http://www.obgyn.net/displayppt.asp?page=/english/pubs/features/presentations/ppt-presentations-ob>

III-Books:

*Author of the book; Updated Obstetrics, first published in 1998.

IV-Publications in peer reviewed journals (Shown as Kandil M):

1-Electromyography predicts the response to tocolysis in preterm labor. In preparation.

Mohamed Kandil, Mehany Abd El-Sattar, Sherif Abd El-salam and Sayed saleh

2-The Relationship between preeclampsia and early childhood caries. Submitted

Mohamed Kandil, Dalia El Lahony, Ali Mortada

3-Diagnostic accuracy of saline infusion sonohysterography in infertile women.

Zakaria Sanad, Ayman Shabana, **Mohamed Kandil**, Hisham salah, Mohamed Abo El-Nasr, Nihad Hosni and Basma dessouki

The journal of the Egyptian society of obstetrics and Gynecology. Vol 32; No. 1,2,& 3, Jan, Feb., March, 2006

4-Hormonal and sonographic assessment of ovarian reserve before and after laparoscopic ovarian drilling in polycystic ovary syndrome.

Mohamed Kandil and Maha Selim

British Journal of Obstetrics and Gynecology: An international Journal of Obstetrics and Gynaecology. October 2005, Vol. 112, pp.1427-1430

5-Induction of labor in prolonged gestations: The use of intra-uterine extra-amniotic Foley's catheter versus vaginal misoprostol.

Mohamed Kandil

The journal of the Egyptian society of obstetrics and Gynecology. Vol 33; No. 7,8,& 9, July, August and Sept, 2005. PP659:669

6-The Role of color Doppler imaging in monitoring patients with gestational trophoblastic diseases.

Mohamed Kandil, El-Sayed rehan, Hassan Metwally and Khaled Abd Elmomen

The journal of the Egyptian society of obstetrics and Gynecology. Vol 33; No. 7,8,& 9, July, August and Sept, 2005.PP:671-681

7-Does combined oral contraceptive pills flare up systemic lupus erythematosus.

Sherif Kandeel, Moustafa Doma, **Mohamed Kandil**, El-Darwish AG and Abdel Hameed Abdel Fattah Mohamed

The scientific Journal of Al-Azhar Medical Faculty (for girls). Vol 26; No.3 September 2005. PP:2069-2076

8-Plasma concentrations of nitric oxide and its endogenous inhibitor in normal and preterm pregnancies.

Mohamed Kandil, Zakaria Sanad, Ayman Shabana, Nihad Hosni, Hisham Salah and Ahmed Al-Sharawy

The journal of the Egyptian society of obstetrics and Gynecology. Vol 31; No. 1,2,& 3, Jan, Feb and March, 2005. PP: 213-223

9-Paravaginal defect: accuracy of preoperative clinical and sonographic diagnosis and report of results 1 year after abdominal repair.

Mohamed Kandil, Ayman Shabana, Hesham Salah, Zakaria Sanad and Basma Dessouki

Tanta Medical journal. January, Vol. 33, 2005. PP:97-103

10-Thermal balloon endometrial ablation versus Roller ball ablation in treating perimenopausal menorrhagia.

Mohamed Ali Abdel Kader, **Mohamed Kandil**, Ahmed Aref, Hisham Kandil and Ayman Shabana,

Kasr El-Aini Medical Journal , Vol 9, No.6, December 2003. PP:233-238.

12-The effect of different local conjugated equine estrogen cream dose regimens on stress incontinence and bladder neck circulation in postmenopausal women.

Mohamed Kandil, Mohamed Ali Abdel Kader, Abdelhamid Attia, Ayman Shabana, Sameeh Zamel and Ahmed Gamal

Kasr El-Aini Medical Journal , Vol 10, No.4. PP: July 2004. PP:1-8

12-Role of serum testosterone and insulin in the pathogenesis of preeclampsia.

Mohamed Kandil, Mohamed Ali Abdel Kader, Adel Salah, Gamal Abdel Sameea, Safa Riffat Abdel Moniem and Ola Khashaba

Kasr El-Aini Medical Journal , Vol 8, December 2002. PP: 285-292

13-Leptin levels in maternal and cord blood in normal and preeclamptic pregnancies.

Mohamed Kandil, Mohamed Ali Abdel Kader, Hisham Kandil, Adel Salah, Safa Riffat Abdel Moniem and Ola Khashaba

Kasr El-Aini Medical Journal , Vol 8, December 2002. PP:293-301

14-The effect of Magnesium sulfate therapy on the electroencephalographic changes in preeclampsia.

Mohamed Kandil, Sherif Abd El-Salam, Ahmed Eissa and Wafik El Sheikh

The journal of the Egyptian society of obstetrics and Gynecology. Vol 31; No 10,11,12 July, August; September 2001.

15-The biochemical assessment of osteoporosis among long term Depot Medroxy progesterone acetate users.

Mohamed kandil, Mohamed hasan, Ayman shabana, Mohamed shabana and Rawhea El-Edel

The journal of the Egyptian society of obstetrics and Gynecology. Vol 28; No 10,11,12
October, Nov; December 2000.

16-The use of vaginal versus rectal misoprostol to induce labor in term pregnancies complicated by premature rupture of membranes.

Mohamed Kandil

The journal of the Egyptian society of obstetrics and Gynecology. Vol 26; No 4,5,6 April,
May, June 2000. PP: 481-489

17-Laparoscopic ovarian needle puncture: An alternative to laparoscopic ovarian electrocauterization in the treatment of women with the polycystic ovary syndrome.

Mohamed Kandil and Rawhea El-Edel

Tanta Medical Journal; Vol 28, No.1, June 2000. PP: 653-668

18-Soluble tumor necrosis factor (TNFRS), Tissue polypeptide- specific Antigen (PPS) and CA125 in serum and peritoneal fluid as early predictors for epithelial ovarian cancer.

Ayman Shabana, Medhat Essam, Naser Kamal, **Mohamed Kandil**, Abdel Aziz Yassin and Dessouki abou Ammo

The journal of the Egyptian society of obstetrics and Gynecology. Vol 25; No 7,8,9 July,
August, September 1999. PP:673-685

19-Reliability of the diagnosis of adnexal mass in premenopausal and postmenopausal women.

Mohamed Kandil, Mohamed Sabry, Mohamed Hasan, Tarek Fawzy and Hatem El-Sebai

Kasr El-Aini Medical Journal , Vol 5; No 1, May 1999.PP: 329-338

20-Role of nitric oxide and its endogenous inhibitor in the pathogenesis of preeclampsia. Naser Kamal, **Mohamed Kandil**, Ayman Shabana, Amin Ragab and Dessouki Abo Ammo

The journal of the Egyptian society of obstetrics and Gynecology. Vol 24; No. 10,11,12, 1998

21-Twin pregnancies: Accuracy of first trimester Transvainal sonography in prediction of chorionicity and amnionicity.

Ahmed Eissa, sherif Abd El-Salam, **Mohamed kandil** and Tarek El Dessouki

The journal of the Egyptian society of obstetrics and Gynecology. Vol 23; No. 7,8,9,1997.PP: 851-856

*M.D. Thesis (Ob/Gyn): Randomized clinical trial of Doppler indices for improving Obstetrical outcome.1995.

*Co-author of a chapter: Electrosurgery: principles, biologic effects and results in female reproductive surgery. In Sciarra's textbook of Obstetrics and Gynecology. Chapter 32. Edited by Jack Sciarra and William Droegmuller. 1994.

*M.Sc. Essay (Ob/Gyn): Stress incontinence; Diagnosis and Management. 1988.
