

Srinivasa Jayachandra

Zydus Medical College and Hospital, Gujarat, India

Srinivasa Jayachandra, MBBS, MD, PhD, GCHE (Monash)

Professor, Dept. of Physiology, Zydus Medical College and Hospital, Dahod, Gujarat, India

Jayachandra.srinivasa@gmail.com

I graduated MBBS from Bangalore University, India. After my MBBS, I obtained my MD (post-graduation) from Manipal University, India and later on a PhD (Reproductive Toxicity) from Universiti Malaysia Sabah. And also have obtained a Graduate Certificate in Higher Education from Monash University Australia and a Professional Diploma in Clinical Research from India. Presently, I am working as Professor at Zydus Medical College and Hospital, Dahod, Gujarat, India.

Future goal is to continue the research work on the reproductive toxicity and cardio vascular areas.
