Training course: Adolescent Sexual & Reproductive Health 2020

Lessons learned and experiences gained in improving the sexual & reproductive health (SRH) of adolescents in the 25 years since the International Conference on Population & Development (ICPD)

&

Responding to the SRH needs of adolescents in the context of the COVID-19 crisis

(conducted by the Geneva Foundation for Medical Education and Research in conjunction with WHO, UNFPA and FP2020)

Course objectives

- ❑ To review the progress made in Adolescent Sexual and Reproductive Health & Rights (ASRHR) over the last 25 years.
- ❑ To examine the priorities in ASRHR for next 25 years, with a particular focus on the Sustainable Development Goals.
- ❑ To learn about the impacts of coronavirus disease (COVID-19) on adolescents & young people & especially on their SRH.
- ❑ To identify approaches to respond to the SRH needs of adolescents and young people during the COVID-19 crisis, that are appropriate to one's context.

Module topics & dates

1. Lessons learned and experiences gained in improving the sexual & reproductive health (SRH) of adolescents in the 25 years since the International Conference on Population and Development: **12th October 2020**
2. Priorities to build on the progress made for the next 25 years, with a particular focus on the Sustainable Development Goals: **19th October 2020**
3. The effects of COVID-19 on the lives of adolescents, and specifically on their SRH: **26th October 2020**
4. Approaches to ensuring the continuity of SRH information and service provision to adolescents in the context of the COVID-19 crisis; and using the opportunity of COVID-19 to build back better: **2nd November 2020**
5. ZOOM meeting with the course organizers and resource persons: **11th November 2020**

What each course module will contain

Each module contains:

1. **2-3 sets of PowerPoint slides with accompanying talking points**
2. **A video recording of each presentation**
3. **A video recording of an expert commentary**
4. **2-3 key required reading documents**
5. **One assignment**

Teaching-learning methods

What is required of you (the course participants):

- ❑ To connect with your mentors at the start of the course & to reach out to them when needed.
- ❑ To complete & submit the end of course evaluation.
- ❑ To participate in the end-of-course ZOOM meeting with the organizers and resource persons.

For each module:

- ❑ To watch the presentations & read the required reading.
- ❑ To complete & submit the assignment by the required date.
- ❑ To contribute to the e-forum (Google Group).

(This will take you between 3-4 hours per module)

Teaching-learning methods

What the course organizers will do to support the participants:

- ❑ **A mentor will be assigned to you at the start of the course, to serve as your tutor and as a guide.**
- ❑ **Your mentor will ‘mark’ your assignment & provide you with feedback promptly.**
- ❑ **You can reach out to your mentor by email whenever required.**
- ❑ **The GFMER secretariat will conduct an e-forum for you to share and learn from other course participants.**
- ❑ **You can always contact the GFMER secretariat with questions or concerns.**

Certificate & awards

- ❑ **All participants who send in completed assignments by the required date will receive a certificate of completion.**
- ❑ **The top ten participants will receive an additional certificate of commendation.**
- ❑ **They will also get a set of books for personal and professional development.**
