Dr. Victoria Pueyo, MD PhD
Senior Lecturer, in Biostatistics and Research Methodology, Medical Degree,
University of Zaragoza, Spain
vpueyo@unizar.es

Dr. Victoria Pueyo is a Senior Lecturer, in Biostatistics and Research Methodology in the Medical Degree at the University of Zaragoza. She is also a Paediatric Ophthalmologist in Miguel Servet University Hospital.

Her research interest is focused on visual development throughout childhood and the implementation of new technologies in clinical practice. She is the Principal investigator of a multidisciplinary research group -Vision, Image and Neurodevelopment, GIIS 087-, from IIS Aragon. As part of her research activities, she has coordinated different multicentre international studies and is cofounder of DIVE Medical start-up, as a result of technology transfer from her research group.
